PREPARATIONS HAVE BEGUN

It's hot. Record temperatures had already lasted a week when preparations began. Band members marched in the parking lot where temperatures were over a hundred. Cheerleaders practiced under the trees closer to the school.

Inside, teachers opened up their rooms and prepared for the students. They decorated their rooms and prepared handouts. The office staff had worked all summer getting the forms ready. Now the students were about to come back.

AND WE'RE OFF!

The doors opened again and a new eighth grade class entered "the maze". A new bunch of seniors prepared for a busy year of meetings and other projects. I guess you could say "it all came together."

ART

Through the creative talents of the art staff, great hopes for a productive year are anticipated. Mr. Bystrom shares his time this year between Norcom and Wilson but feels confident that Mrs. Sweet (chairperson) and Mr. Williams can manage for half a day without him. Routinely students from Wilson do very well at shows around the area and this year should be no exception. CHECK US OUT

This year's varsity cheerleading squad consists of twelve girls who worked all summer to become the "Pride and Joy" of Woodrow Wilson High School. Under the supervision of Carol Danner, these girls have worked to raise money by having car washes, donut, key chain, T-shirt and numerous other sales. They began practice in early summer and still work at cheering our teams on to victory.

WHO'S GOT THE SPIRIT?

Who's got the spirit?

Just look around and you will see and hear the J.V. Cheerleaders. This is a hard-working, cooperative group of 12 girls who have worked diligently all year. With the help of the Varsity Cheerleaders, the J.V.'s have really learned to "Shout It Out." During the Football, Basketball, and Wrestling seasons, they put forth great effort in leading cheers to build enthusiasm in the stands.

During the varsity football games, the J.V.'s sold programs and had various money making projects such as car washes and selling shakers, T-shirts, key chains, and pennants. They really worked hard to earn money to get new uniforms.

So, if anyone asks you, "Who's got the spirit?", you can say the J.V. Cheerleaders have it!

Front: Billy Wilder, Leslie Rowe, Robin Bowie.

This years book promises to be different. With a new sponsor as well as an almost new staff, the promise is almost inevitable. The quality and dedication given to the book in the past will be maintained respectfully, with the changes coming primarily in the graphics and visuals used in the book. The staff is alive with creativity and willingness to produce and it is the goal of the yearbook staff, this transitional year, to produce the best book ever at Woodrow Wilson High School. We all too often, as the years pass, lose touch with past events in our lives, we hope this book will occasionally rekindle those times, memories, and moments, of your past that you will come to realize are very special times indeed.

Eric Bennett tries to look cool as he walks down the hall.

Many projects are planned for this year one of which, is to sell Spirit buttons.

The science club is a member of the Junior Science Academy of Virginia and has been in existance for many years.

GET YOUR ACT IN GEAR

This years Drama Club has worked very hard to achieve perfection. New talent was found throughout Woodrow Wilson High School. This new talent was put to use in such productions as "Scrooge" and the One-Act Play Festival that was held in March. It required much hard work on the part of all involved to create the successful performances.

Don't take candy from strangers!

Qué año Fantâ stico! What a fântastic year! The Spanish Club has had a busy schedule this year. The Club provided a piñata and candy for the annual S.C.A. Christmas Party at John Tyler Elementary. Many club members joined Spanish students in singing Christmas carols in Spanish to the children at the party. School-spirited members presented all members of the boys' and girls' varsity and junior varsity basketball teams with spirit buttons. Club members helped to advertise foreign languages through making posters and distributing information booklets to interested students. Members also helped to plan Foreign Language Week activities. The Club's social activities included a Christmas party, a Valentine's Day party, a taco party, a trip to King's Dominion and an end-of-the-year banquet at Chi-Chi's, a Mexican restaurant.

It was a season that would not be forgotten. The mighty Prexies achieved a 3-6 record. But the important thing to coaches and players was the experience that they had. "I was glad that a lot of people gained experience for which there is no substitute," said Coach Moore.

In talking about the season Coach Moore also said "It was a lot closer to being a winning season than most people realize." The Presidents were not predicted to win any games this season. In spite of this they went on to win three games.

We learned something this season; winners exist both on and off the field. The scoreboard didn't show the weeks of summer practice. It didn't show the sacrifices made by the players. It didn't show the bruises, the breaks, or the sprains. It didn't show that they were true champions. They played their games as best they could. And they were champions, to us.

Standing: Coach Harvey, Chris Williams, Kevin Jennings, Angre Parker, Montague Williams, Kevin Aaron, Jessie Clark, and Keith Richardson.

The Varsity Presidents, under the direction of Head Coach Larry Harvey, has made a remarkable turn around from the fourth place start to a possible first place finish with outstanding play from P.J. Honoré, the leading scorer in the district (averages 26.2 points per game). The Presidents concluded the regular season with a 7-2 record and entered the District Tournament finals against Indian River on March 2.

The Presidents received outstanding play from P.J. Honoré, Aaron (Slam Dunk) Woodhouse, Oliver Reid, Jessie Clark, Keith Richardson, and Eric Wright. Newcomers who moved up from the J.V. squad and are expected to add depth to the team next year include Steve Brown and Montague Williams.

OUR LADY PREXIES

The Lady Presidents finished sixth in the district with a 4-5 record. The teams overall record, including non-conference games, in 7-11.

"It was a very disappointing season for the team and me," admitted Coach Frey, "we should have placed better than sixth in the district."

"Angela Wingate, Robin Blount, and Adrienne Mitchell are the key players on the team," says Coach Frey. Angela Wingate is a 5'9" senior who averages 16 points and 7 rebounds a game. Wingate is accompanied by Robin Blount, a 5'7" junior who averages 12 points a game. Adrienne Mitchell, a 5'11" senior seemed very promising this year," states Coach Frey.

The hardest games for the Lady Presidents were Deep Creek, Great Bridge, and Western Branch in the first round of the Southeastern District Tournament, in which they were defeated 62-43.

Top Row: Joe Miles, Billy Wilder, Mike Williams, Danell Webb, William Nicholson, Coach Ray McGinley
Bottom Row: Lee Council, Shannon Doughtie, Terry Bonds, Willie Hart, Stacy Lewis, Roy Brown.

Out of 13 matches we only won one. The team gave 342 points in forfeits over the dual meet season which played a great part in the win-loss record.

"I was disappointed in the number of forfeits but not in the enthusiasm of those who did wrestle. The team will only graduate one person so next years team should be a strong one if vacant positions can be filled."

98 — Lee Council placed third in the Portsmouth Christmas Tournament.

112 — Terry Bonds overall record was 19-0. Champ Christmas Tournament, District Champ, Ports. Sports Club M.V. Wrestler. Career Varsity Record 63-12-0 (at Wilson)

Bottom Row: Tracy Dowell, Rondell Todd, James Edwards, and Curtis Baskerville.

This year we had a 65 percent victory winning rate. Out of 84 matches, we won 55 and lost 29. This was a good season encouraged by effort put forth by team members. Curtis Baskerville was the MVP wrestler. Rondell Todd and James Edwards were the co-captains.

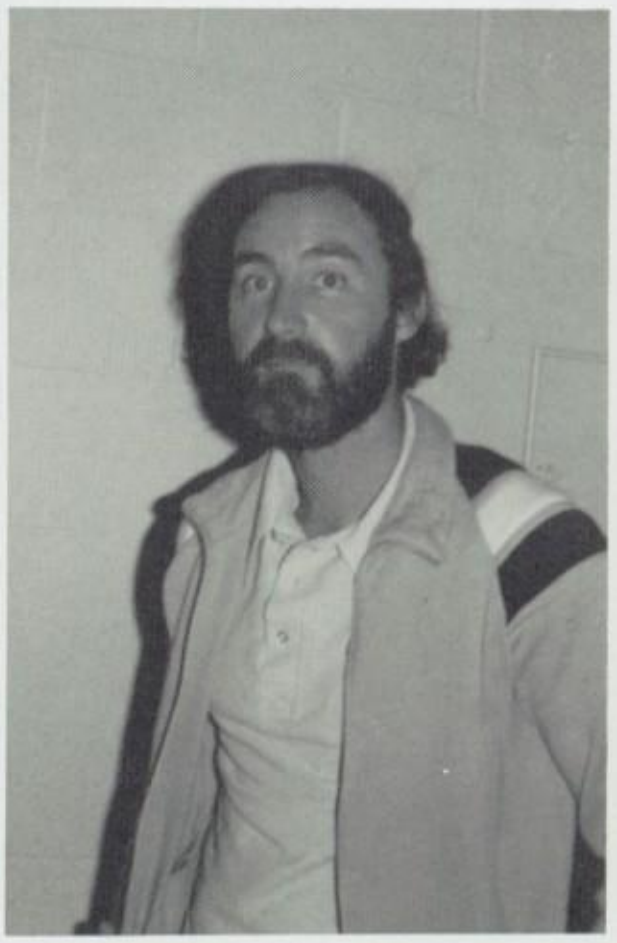
I'LL TUMBLE FOR YA'

Deannie Griffin balances so she doesn't fall off the beam.

Tracy Allen sits while Eve Goldblatt nervously awaits her turn.

Although the season ended without the gymnastics team not winning a meet, the individual efforts and sacrifices by its members should not go unnoticed. A mid-season ankle sprain to senior Eve Goldblatt sidelined her for several weeks. The same injury to senior Shelly Goldfarb eliminated her late in the season and into the district meet. The third senior of the team, Tracy Allen, underwent extensive knee surgery due to an injury she sustained in her first meet of the season. Along with these three seniors, the rest of the team consisted of four freshmen; Deannie Griffin, Donna Hedge, Diana Mitchell, and Denise Gilchrist. The bright spot of this season's efforts however, came when Eve Goldblatt placed fourth on the uneven bars at the district meet and therefore, became the only Portsmouth gymnast to quality for the regional meet. The team was coached by Joe Bystrom.

Coach Bystrom can't seem to find any of his gymnasts.



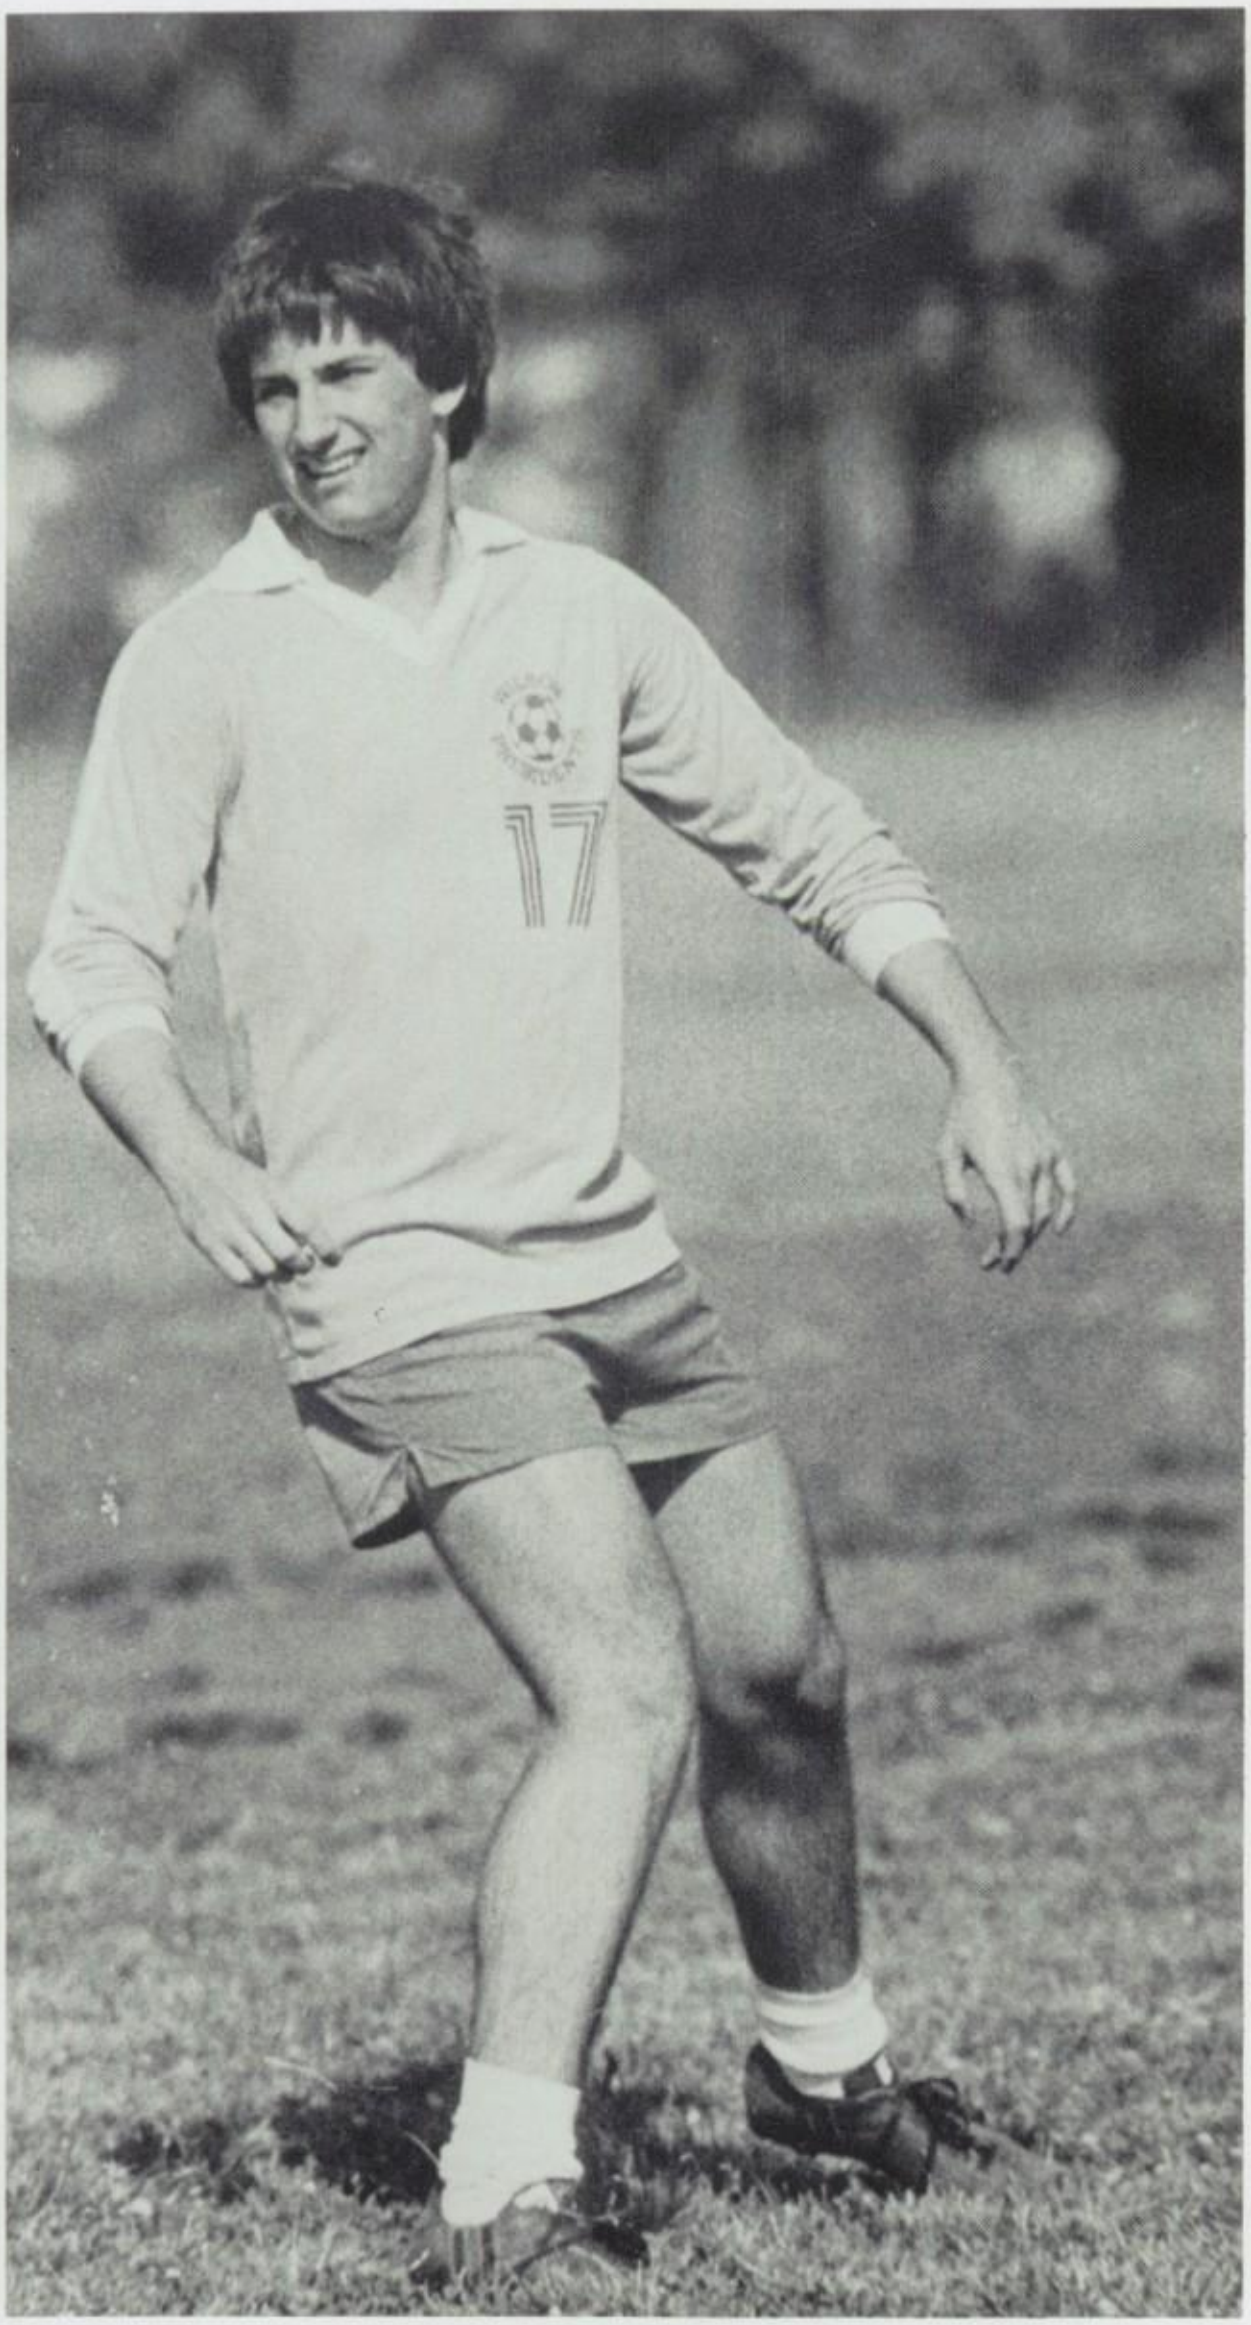
Deannie Griffin shows intense concentration as she clears the vault.

. . . IF THEY STICK TOGETHER . . .

"This was a developing year for the girls softball team with a 12-2 record." Arlene Jaulks was a senior who had the highest batting average and won MVP. Lisa Jamison, senior, won the Golden Glove award. They were the only two seniors that were starters from the championship teams from 1981 and 1982. There was a majority of freshmen and sophomores that were required to play first string. Coach Staples feels there is the makings of a good team if they stick together.

Corrine Krouse is amazed that the Yearbook Staff does not have any more pictures for the softball section.

PLAYING FOR A GOAL



Top: Teamwork does it again for Selma and Charles Grant.
Left: Brandon Perkins watches his kick.

"The 3-5 season is the best record we have achieved since we have had a soccer program here at Wilson," stated Coach Reel. "The three victories we had were against teams in which we had not beaten in regular season play," he concluded.

There were several outstanding players who helped contribute to the successful season. Among them were Brandon Perkins and Bruce Sykes. Brandon received MVP award and the Bill Ferris Trophy for the highest grade average on the team. Bruce was chosen as spring athlete both for Wilson and for the City of Portsmouth.

GETTING BETTER

This was a good year overall for the Varsity team. The teams record improved to 7-5 overall and 5-4 in the district. Said Coach McGinley "I feel good about the season, we will have a large number of players returning for next season.

The defensive team average was .805 with 62 errors and 279 assists. Leaders were Kevin Brown, Wade Turner and Bobby Brown, offensively the team batted 215 with Bobby Bass, Troy Rary, Ernie White, and Bobby Montague.

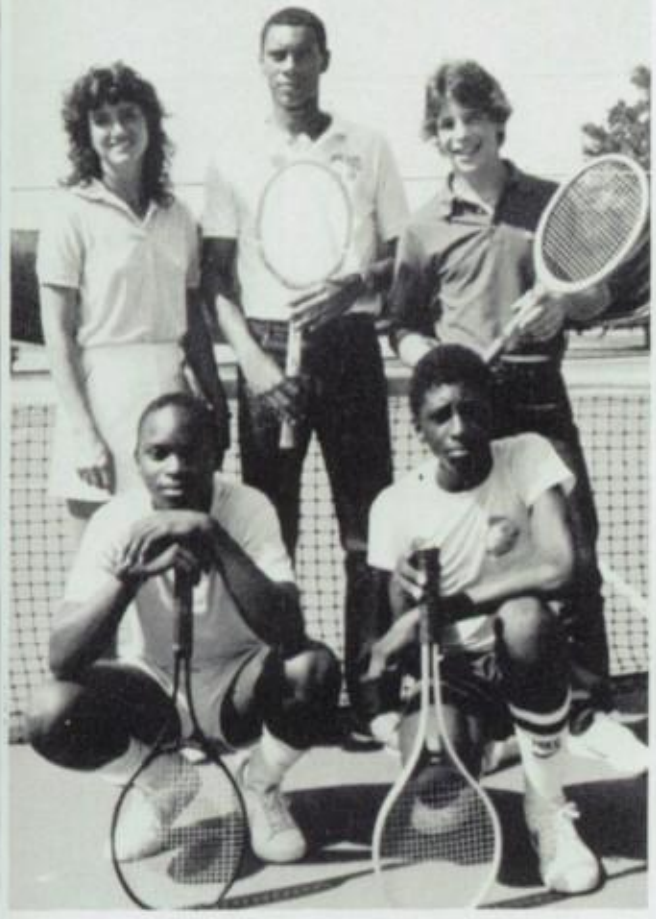
Below: An exciting sequence taken less than a second apart shows the great speed and determination in the face of runner, Johnnie Ealey.

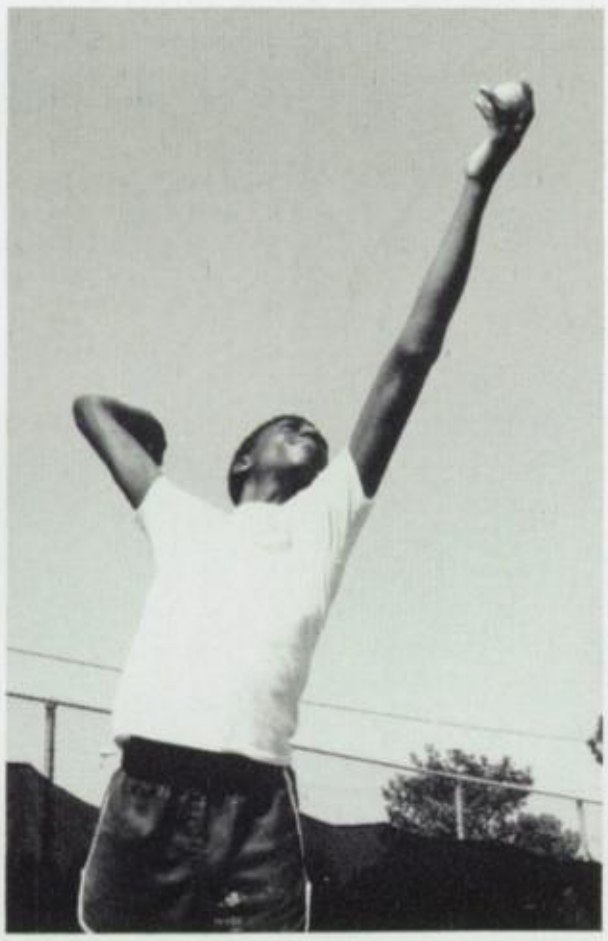
"The team could have achieved more if there had been more concentration on their events", says Coach Mundy. A 1 and 4 record was due to the young inexperienced team, with their only win coming against Churchland. Wilson finished third at the City Meet, but the school was well represented by each team member. The girls 400 meter relay team was vertually unbeaten, consisting of Sebrena Britt, Venezia Burney, Kemmie Bailey, and Regina Hawkins. Iola Faulks and Venezia Burney advanced to Regionals with Regina Hawkins advancing to the State finals in the high jump and 100 meter hurdles.

Left to Right: Bo Jamison, Ernie White, Chris Gardner, Scott Bracey, George Kershner and Coach Hopkins

"The golf team suffered a losing season due to inexperienced players" says Coach Hopkins. George Kershner led the team to a 2-7 record collecting M.V.P. honors along the way. Coach Hopkins hopes for improvement as well as more participation next year.

With a record of 1-8 the tennis team was less than impressive, but they worked hard and played very competitively. Only two members lettered: they were Chris Newton who reached the quarterfinals of the District tournament and sophomore Curtis Edwards. Coach McEachern looks forward to next year.





An aggressive playing style moved senior Chris Newton to the District Quarterfinals.

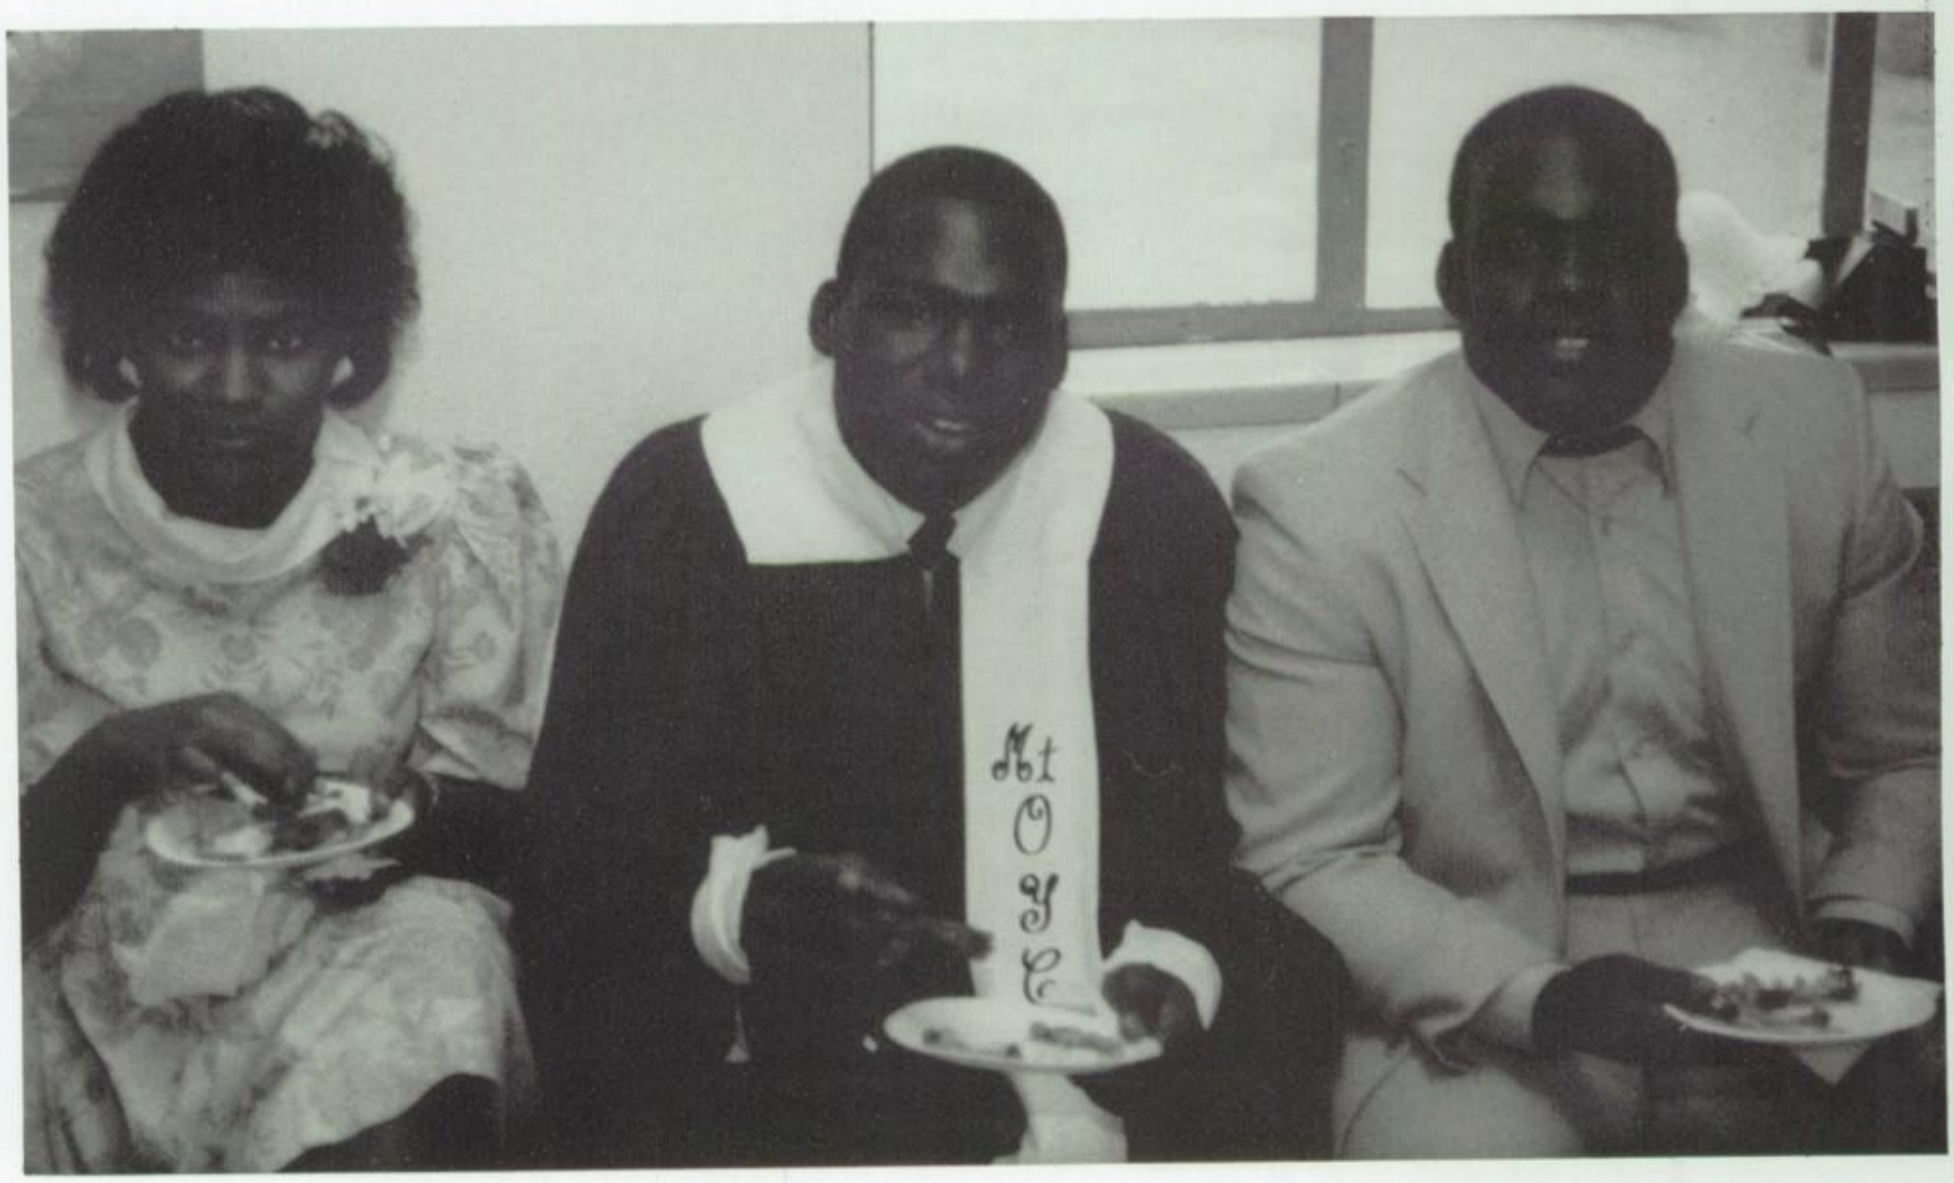
WEDDING ALBUM

January 11, 1984, was a special day for Andrea Whitney and Anton Cannady. They participated as bride and groom for a "Make-believe Wedding." The wedding was an activity drawn from the "Let's Get Married" unit taught in the Family Living and Home Economics III classes. Mrs. Carol Danner guided the students in the preparation of the wedding. Outfits were supplied by Prince Formal. Mrs. Kathy Allen's Advanced Foods Class prepared the refreshments for the reception.



We worked hard this year. Students worked toward a well deserved vacation. In May, the Junior Class officially became the Senior Class. Amid tears and laughter the Senior Class will become Alumni. These are the memories of the 1983-84 school year. The people of Wilson are what makes us special. They are the pieces to the puzzle! And the year, ***WE GOT IT ALL TOGETHER!***
